## HISTORY OF THE LOCAL CHAPTER

The Vacaville Chapter of the SPEBSQSA, Inc. was chartered on March 11, 1968. At that time, it had enrolled its 35 members to qualify for recognition by the International Organization. Since that date, the group has increased its membership by 80%.

Since its beginning, the Chapter has produced its first and second annual shows. It has sung in competition twice, and in 1970 made an unprecedented climb from 11th place to 6th place, scoring higher than many of the oldest choruses in Northern California. The chorus has sung before many local and out-of-town groups and has sent delegates to several Far Western District Conventions. The Vacaville Chorus won the "Outstanding Showmanship Award" at Cal Expo in 1970 and in the same year placed 14th in the Society's National Achievement Awards Program. On January 16 of this year approximately 40 members of the Vacaville Chapter appeared in a chorus of over 400 men to present a Barbershop Spectacular in the Opera House in San Francisco.

The Vacaville Chapter adopted the name "The Solano Tones" because its membership is made up primarily of men from Solano County communities, however there are members from Davis, Napa and Winters.

The Vacaville Chapter extends an invitation to anyone who would like to take part in our fun hobby of singing. Join us any Tuesday evening at 7:30 P.M. in the Chorus Room at Willis Jepson Junior High School, 580 Elder Street, Vacaville. You will be given a packet of material telling you about the Society and our hobby. "It's great to be a Barbershopper."

### THE DISCIPLES OF HARMONY

The Disciples of Harmony are members of the Eden-Hayward Chapter of SPEBSQSA. This group combines a total of 68 years of Barbershop Harmony experience. Two of its members previously sang with the Forte-Niners who were the 1961 Far Western District Champions and one member formerly sang with the Mystics. One of its members, Buck Hay, was formerly with the

Carpet Baggers who have delighted our audiences the past two years. Collectively, they have represented the FWD at the International Contests on five occasions and with all of this previous experience, you may rest assured they are aiming at top honors. We are proud to introduce them to you and sincerely hope you will enjoy them.

## THE BEGINNING OF THE SOCIETY

"In the age of Dictators and Government control" . . . is when our society first appeared on the horizon. The year was 1938—just 33 years ago! The founders were Owen Cash, an attorney and his friend, Rupert Hall, an investment banker, both from Tulsa, Oklahoma. That which started out as almost a joke has mushroomed into an International Organization with over 38,000 members. This includes over 700 choruses making it the largest organized all-male singing society in the whole world. Many of us will remember that in 1938 it was the time of multi-initiated governmental agencies in the United States—and it is easy to recognize the 'tongue-in-cheek' humor in our long title and initials. Thus the name—The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America — or the initials S.P.E.B. S.Q.S.A."

From "Introducing SPEBSQSA" International Headquarters, Kenosha, Wis.

JOHN R. BOWMAN

We take pride in introducing our director, Bill Pauley. He is the personification of Mr. Barbershopper. A member of the Society for over 11 years, he has attended the Society's training course for directors, was a member of the then great quartet known as The Barbary Coasters and was the director of the former Vallejo Chorus.

Bill lives in Vallejo and is a rigging supervisor at Mare Island. Like most directors, he can sing all four parts (one at a time). We feel very fortunate to have such a knowledgeable and competent director as we have in Bill. He has succeeded in shaping our chorus into contention as one of the finest in Northern California. We are proud of him and invite all men who would like to learn to sing our type of music, to come and sing under the leadership of Mr. Barbershopper himself—Bill Pauley.

### THE BUNSTER FREELY QUARTET

It is with great pleasure that we introduce our featured quartet. The Bunster Freely Quartet was formed in August of 1965 and won their first contest in October of that same year, when they became the Far Western District Champions.

It has been said that barbershopping took a giant step backward with the advent of this quartet. One might say they organized expressly to advance the barbershop style of music, but don't believe it. By combining their talents they found the only way that would give them the opportunity to perform in front of people.

### THE RINGERS

We are proud to introduce to you once again "The Ringers." The Ringers made an appearance on our first show in 1969.

Collectively the Ringers represent several years of barbershopping experience. Individually, they have at various times, sung in seven different quartets.

This quartet of finely blended voices is well on its way toward international honors. In Far Western District competition held in San Francisco in the Fall of 1969 they placed second. In the Spring of 1970 at Sacramento they placed 6th in the International Preliminary Contest and at San Diego in the Fall of 1970 they placed third in district competition.

#### ASSISTANT DIRECTOR

We take pleasure in introducing our assistant director, Larry Estes. He is another of those who are real dedicated Barbershoppers. Larry has been in the Society for the past 10 years, singing with now extinct Vallejo chorus. He is also a quartet man. He formerly sang with the Gold Tones, The Chessmen and now is the lead in our own newest quartet, The Exponents. Larry fills in for our regular music director in his absence and does so very capably. This past summer he attended a training school in Wisconsin. Larry is married, the father of two children and resides in Davis. He is employed as a Supervisor of Teacher Education at the University of California at Davis.

### WHO CAN BE A MEMBER

One factor contributing to the Society's fast growth was the knowledge that a man does not have to be musically trained to join the organization. The S.P.E.B.S.Q.S.A. welcomes into its membership men of good character, young and old, from every walk of life, who truly desire to be a part of a chord of music.

#### THE HIGHLIGHTERS

Our Girl Quartet hails from the Diablo Vista Chapter of the Sweet Adelines in Walnut Creek. They placed third in regional competition held in Reno, Nevada, in April of 1970. Because of their high placement in this competition they were eligible to participate in international competition in October 1970 at Boston. Unfortunately they were unable to attend.

We welcome the Highlighters to our Third Annual Show.

### PRESIDENTS — PAST AND PRESENT

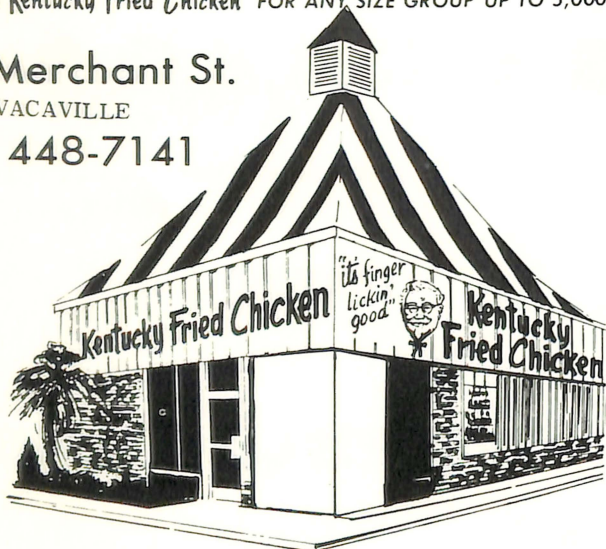

Pictured above are the men responsible for steering the Vacaville Chapter SPEBSQSA into a highly successful organization. As though weekly rehearsals, monthly board meeting, sing-outs, competitions, shows, etc. aren't enough, much of their time is spent sort of behind the scene in planning, budgeting and other such things that keeps our organization going. Through the efforts of such dedicated Barbershoppers, the Vacaville chapter has risen to 14th place in the Society's Nationwide Achievement Awards Program. Both Dick and Bob have a lot of Barber Shop experience having been members of the former Vallejo chorus. They were instrumental in the formation of the local chapter. Dick was president in 1969, Bob in 1970 and he recently turned the gavel over to Wayne, who has inherited the job of keeping the chapter the successful, fun filled and popular group that it is today.

ASK ABOUT OUR SEVEN WAY SERVICE

Larry Estes, Dick Gideon, Colin King and Bill Aseere

### THE EXPONENTS

We introduce to you, our very own newly formed quartet, The Exponents. Two of its members, Larry Estes and Dick Gideon, each have about 10 years experience in Barbershopping. Both were former members of the now extinct Vallejo Chorus and both formerly sang with two quartets, The Gold Notes and The Chessmen. Bill Aseere is a talented musician, both in singing and in instruments. He formerly sang bass with the chorus and has now switched to baritone. Colin King is a relatively newcomer to the chorus. This foursome of finely blended voices hopes to be in competition in the very near future.

## DO YOU LIKE TO SING ?

Are you a 'bathtub baritone' . . or tenor or bass? When you listen to the quartets and chorus singing, have you ever had the idea that it would be great fun if you could join in? Well, you can! This is the way most of us got started in this wonderful hobby—by hearing some of these groups and getting the urge to try it personally. The Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc., is primarily a fun organization, devoted to the promotion of that old American institution, Barbershop Harmony. As our founder, Owen Cash, put it: "This is one of the few types of recreation left to man that isn't taxed or government regulated in any way. So, if you would like to try your voice with the local chapter in good harmony, you are cordially invited to attend our chorus rehearsal and blend with us in song. The Vacaville Chapter meets every Tuesday night at 7:30 p.m. in the music room at the Willis Jepson Jr. High School on Elder Street.
